## 프로젝트 구조

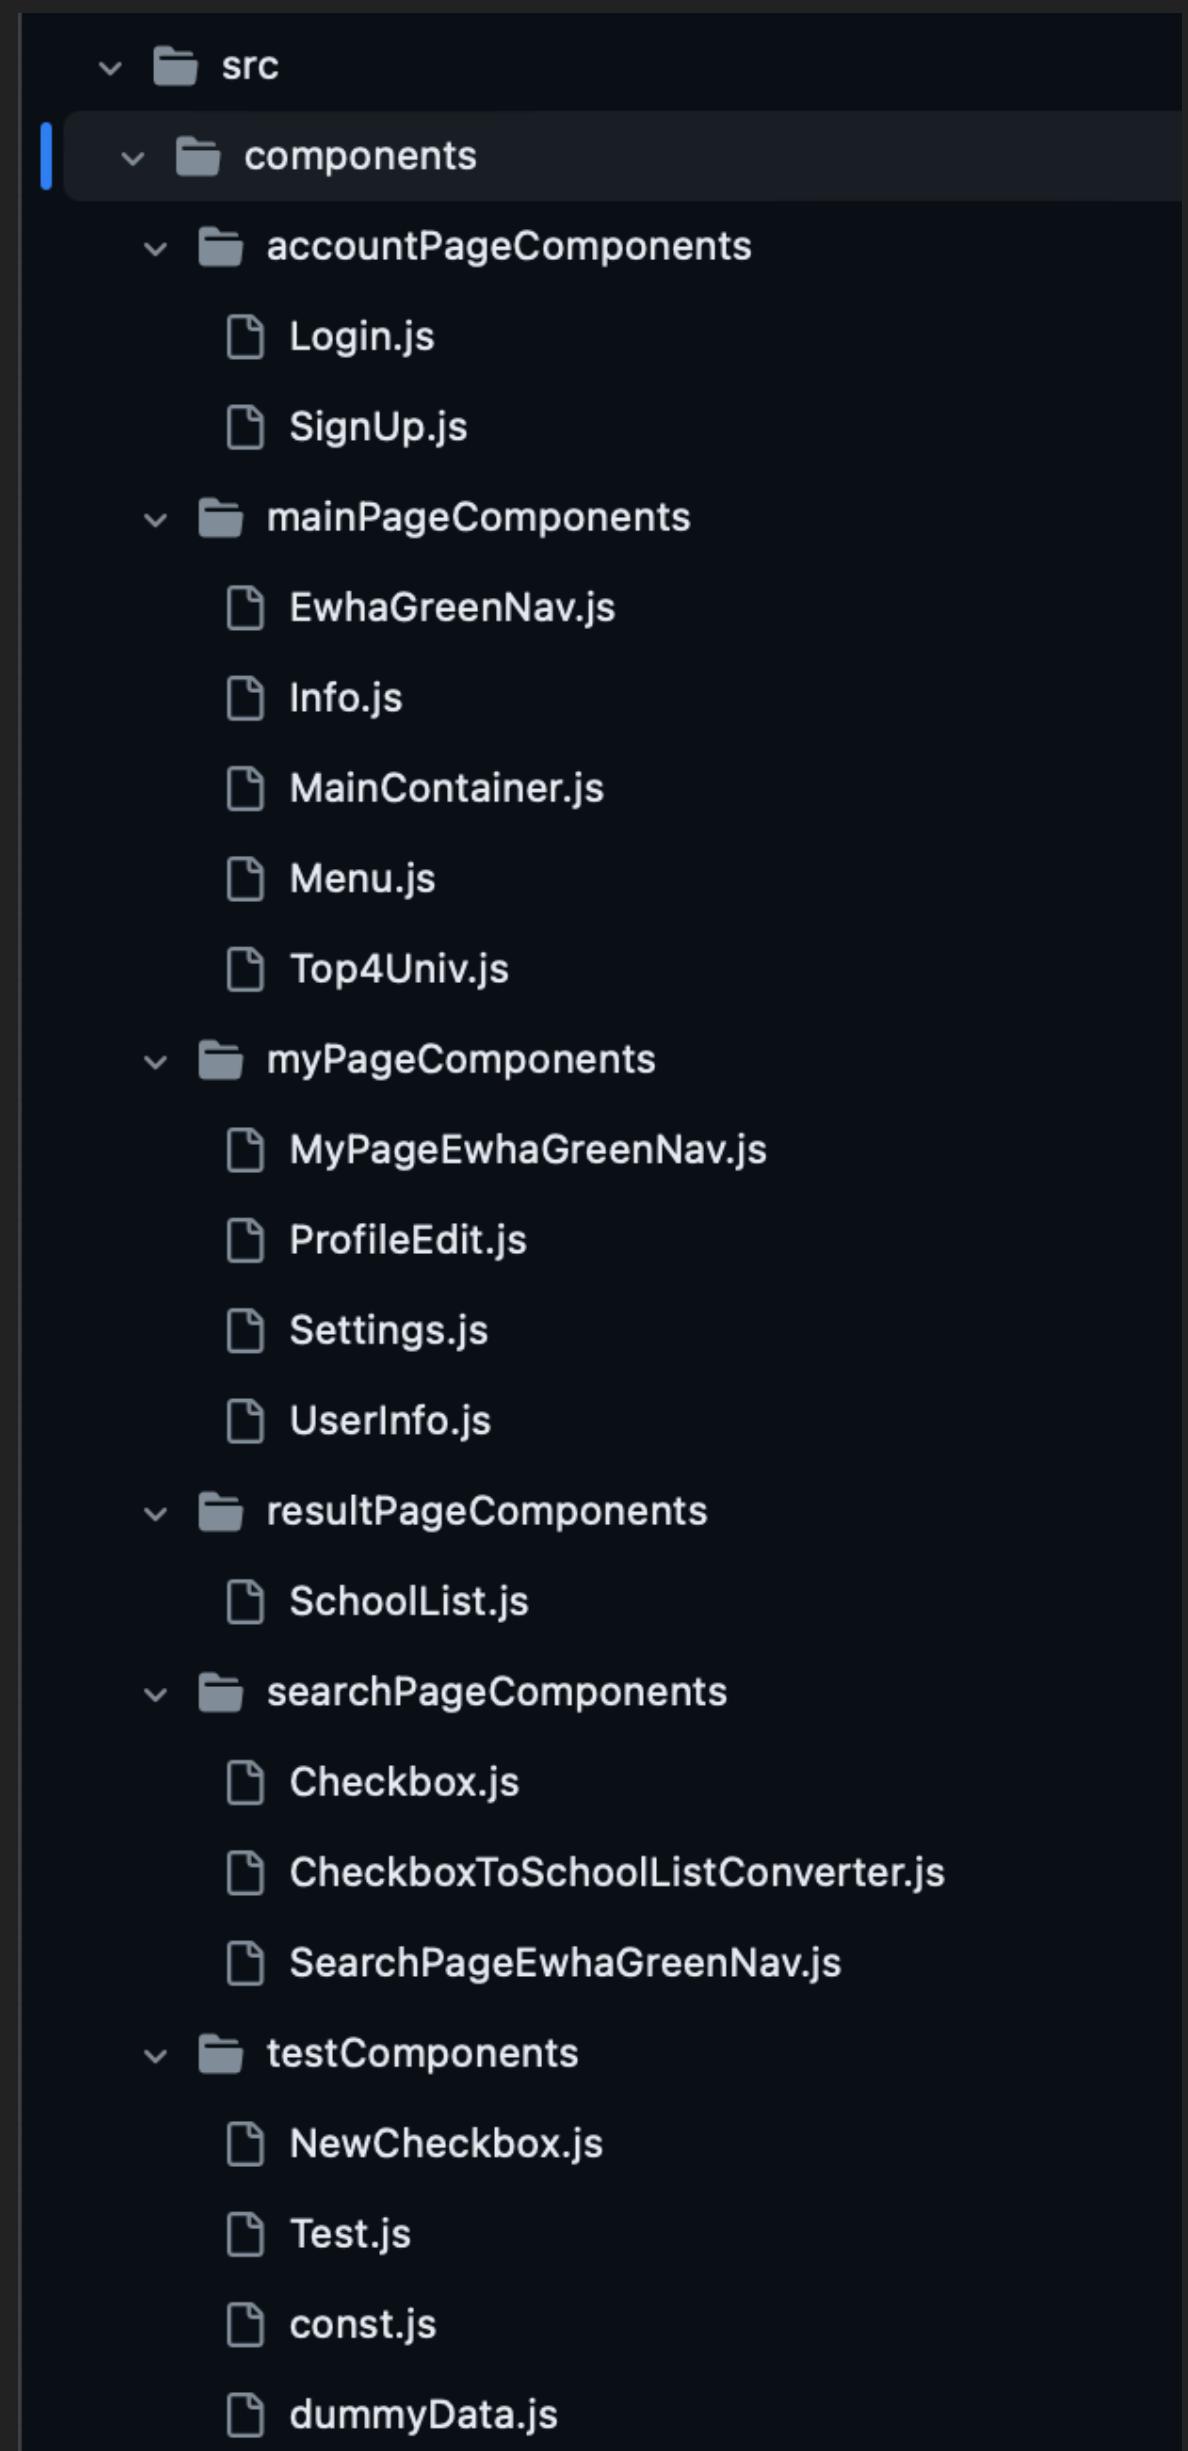

The screenshot shows a GitHub repository named **ExploreX** with a public status. The repository has 1 branch and 0 tags. The commit history includes:

- cannes7 Remove // (27eb9d1 · 1 hour ago)
- Remove // (1 hour ago)
- Initial commit (last week)

The repository structure is as follows:

- pages**: Contains AccountPage.js, MainPage.js, MyPage.js, ResultPage.js, and SearchPage.js.
- styles**: Contains AccountPage.css, MainPage.css, MyPage.css, ResultPage.css, and SearchPage.css.
- App.css**
- App.js**
- App.test.js**
- index.css**
- index.js**
- reportWebVitals.js**
- setupTests.js**
- .gitignore**
- README.md**
- package.json**

## 주요 코드 동작

# Page Routing

# Webpage 뼈대

# Checkbox

# Text Searching

# Data Sorting

# Data Printing

## 산출물 데모

The screenshot shows a web browser window with the URL `localhost:3000`. The page has a dark green header with white text. At the top left is the text "EWHA, THE FUTURE WE CREATE". On the right side of the header are links for "HOME", "EWHA", "LOGIN", and "MYPAGE". Below the header, the main title "VOYAGE VAULT." is displayed in large, bold, white letters. Underneath the title is a horizontal navigation bar with four items: "공지사항", "교환교 검색", "파견 보고서", and "국제교류처". In the center of the page is the logo of Ewha Womans University, which is a circular emblem with Korean characters and the text "EWHAWOMANSUNIVERSITY" next to it. Below the logo is a photograph of students sitting in rows of wooden desks in a lecture hall, viewed from behind. Overlaid on this image is the text "WELCOME TO VOYAGE VAULT" in large white letters, followed by "EXPLORE THE WORLD WITH US" in smaller white letters at the bottom.

# 발전시키고 싶은 사항 및 소감

# EC2 배포

# Refactoring

# Git 공부

# Backend 입문

# THANK YOU
